

The 2nd National Conference on Organic Field-Effect Transistors (OFET-2)

It is our great pleasure and privilege to invite you to “The 2nd National Conference on Organic Field-Effect Transistors (OFET-2)”, which will take place during 12-15 December, 2019 at Peking University Shenzhen Graduate School, Shenzhen, P. R. China.

Aiming to promote an international exchange of scientific knowledge and experience in the field of OFETs, OFET-2 will include keynote lectures by distinguished researchers from home and abroad. It will provide a premier interdisciplinary forum for scientists and engineers to present their latest research results, ideas and developments in OFETs. In order to facilitate your submission and participation, relevant details of this conference are notified below:

1. Scope of the Conference:

- Design, synthesis, processing and characterization of organic semiconductors
- Growth and morphology control of organic semiconductors
- Printable electronic materials, printing and patterning methods
- Dielectric materials
- Device physics, modeling, geometric design and characterization
- Resistor memory and memristor devices
- Stretchable electronic materials and devices
- Charge injection and transport characteristics
- Device reliability, stability and degradation
- Chemical and biological sensors
- Organic light-emitting transistors
- Molecular devices
- Flexible OFETs display backplane
- Integration of OFETs with other components
- 2D materials based OFETs
- Perovskite OFETs
- Solution processed metal oxides based OFETs
- Carbon Nanotubes Based OFETs

2. Committee

Honorary Chair: Daoben Zhu

Conference Chairs: Wei Huang, Yunqi Liu, Wenping Hu, Hong Meng

Domestic Academic Committee:

Zhigang Shuai, Jian Pei, Yanhou Geng, Xuefeng Guo, Xinran Wang, Donghang Yan, Qian Miao, Huanli Dong, Lang Jiang, Zhen Li, Xiaojun Guo, Deqing Zhang, Gui Yu, Perepichka Igor, Zhaohui Wang, Haoli Zhang, Xike Gao, Xugang Guo, Yongye Liang, Yunlong Guo, Chongan Di, Jia Huang, Feng Yan, Jianpu Wang, Linghai Xie, Mingdong Yi, Suting Han, Runfeng Chen, Hongxiang Li, Hanying Li, Zhuping Fei, Liqiang Li, Junbiao Peng, Deqing Gao, Jie Zhang

Overseas Academic Committee:

Zhenan Bao, Jianguo Mei, Qichun Zhang, Jianyong Ouyang, Jishan Wu, Wei Chen, Lynn Loo

3. Registration Information

1) **Registration Time:** 08:30-20:00, December 12, 2019

2) **Registration Place:** Peking University Shenzhen Graduate School

3) **Abstract Submission Deadline:** November 12, 2019

4) Please register in advance and pay the registration fee. The Registration Fee for OFET-2 are mentioned below:

Type	By October 12, 2019	After October 12, 2019
Ordinary Registration	RMB 2000	RMB 2500
Student Registration	RMB 1300	RMB 1500
Enterprise Registration	RMB 2500	RMB 3000

Participants are requested to register and submit their contributions after September 25, 2019. Please visit the conference website: www.ofet-tech.com
